**Subject:** Room and call in number for May monthly UIC meeting at EPA Offices

Hello Sonja,

Sacramento folks have offered to take a field trip down to the EPA SF office for the next monthly meeting, May 19, scheduled for 1-3pm. You are the organizers, so I am giving you this information for you to update the invitation.

Our office is located at 75 Hawthorne Street, San Francisco.

The Conference Room is the Havasupai Room on the 19<sup>th</sup> floor. State officials will have to pass through security on the first floor, and an EPA escort will bring everyone upstairs. We will need to have a list of who is coming to pass along to the security office a day before the meeting, if possible. This will expedite the security process.

For those calling in to the meeting here is the call –in number and passcode:

Call in **Ex. 6 - Personal Privacy**

Code **Ex. 6 - Personal Privacy**

Thanks for your help with updating next month's invitation. Please let me know if you have any questions.

Sincerely,

Michele
